Professional Summary

Dynamic **Full-Stack Developer** with **3+ years** of experience deploying scalable web applications using **Angular** and **Ruby on Rails**. Advanced from intern to **Lead Developer**, showcasing leadership in end-to-end project delivery and cross-functional collaboration with designers, product managers, and stakeholders. Skilled in integrating headless CMS, secure payment gateways, and analytics tools to drive user engagement and business growth. Seeking a **Software Development Engineer** role in a forward-thinking MNC or edtech company in Delhi NCR, Punjab or remotely.

Technical Skills

- **Programming Languages**: JavaScript, TypeScript, Ruby, HTML, CSS, SCSS, SQL
- **Frameworks/Libraries**: Angular, Ruby on Rails, Tailwind CSS, Nebular, Sanity, Bootstrap, jQuery
- **Tools/Technologies**: Google Tag Manager, Sentry, Schema.org, Git, GitHub, GitLab, NPM, Figma

Professional Experience

Lead Software Developer – Commudle, New Delhi (*May 2024 – Present*)
- Spearheaded the development of scalable **web applications using Angular and Ruby on Rails**, achieving seamless user experiences and robust code architecture.
- Designed and implemented secure payment (**Razorpay**) integrations, boosting monetization workflows by streamlining transaction processes.
- Mentored developers, led Agile sprint planning, and conducted code reviews, enhancing team productivity and aligning deliverables with strategic goals.

Software Developer – Commudle, New Delhi (*May 2023 - May 2024*)
- Built and optimised high-performance **Angular web applications** with reusable components, improving frontend load times by 20%.
- Integrated **Google Tag Manager** for real-time analytics and marketing tracking, eliminating redeployment overhead.
- Collaborated with cross-functional teams to deliver user-centric features, ensuring code quality through iterative **Agile development**.

Software Developer, Intern – Commudle, New Delhi (*May 2022 - May 2023*)
- Developed responsive web interfaces using **Angular**, enhancing user engagement for 10,000+ monthly users.
- Integrated Sanity.io as a headless **CMS**, streamlining content workflows and reducing update times by 30%.
- Mastered scalable frontend architecture best practices, contributing to **production-ready applications**.

Technical Support Executive – Netplus Broadband PVT LTD, Ludhiana, Punjab (*Dec 2020 - Apr 2022*)
- **Network Support:** Troubleshoot ISP servers and network connectivity issues for broadband customers, ensuring minimal downtime and maintaining a high service uptime. Resolved an average of 50+ technical support tickets daily, achieving a strong customer satisfaction rating.
- **Team Coordination:** Managed a team of 4 support technicians, scheduling shifts and providing training in issue resolution protocols. Streamlined support workflows and data logging, which improved ticket resolution time by ~25%. Maintained internal databases of service reports and outages for analysis and future prevention.

Social Media Handler – BBSBEC, Sirhind, Punjab (*Nov 2019 - Nov 2020*)

- Managed the college's official social media channels (Facebook, Instagram), creating and curating content that boosted student engagement by ~40%. Coordinated with the college marketing team to promote events and announcements, significantly increasing event participation through online outreach. Demonstrated creativity and communication skills while growing the online community presence.

Teaching Assistant (TA) – Coding Ninjas, New Delhi (*Apr 2020 - Aug 2020*)
- Supported 50+ students in debugging Node.js and frontend code, improving project completion rates.
- Guided learners through assignments, fostering proficiency in full-stack development concepts.

Education

- **Bachelor of Technology (B. Tech) in Information Technology –** Baba Banda Singh Bahadur Engineering College (MRSPTU), Punjab (*2016 – 2020*)
- **Higher Secondary (Non-Medical) –** R.S. Model Sr. Sec. School, (PSEB), Punjab (*2015 – 2016*)
- **Matriculation –** R.S. Model Sr. Sec. School, (PSEB), Punjab (*2012 – 2013*)

Certifications

- **Angular Basics** – Hacker Rank (May 2025)
- **SQL Basics** – Hacker Rank (May 2025)
- **Back End | Full Stack Web Development** (Node.js) – Coding Ninjas (Jun 2019 - Jan 2020)
- **Front End | Full Stack Web Development** – Coding Ninjas (Jun 2019 - Sep 2019)
- **Java Foundations with Data Structures** – Coding Ninjas (Jul 2018)

Achievements

- Published research paper on Actions on Google: Developer Platform for Google Assistant (Nov 2019).
- First Position in Web Design Competition – Baba Banda Singh Bahadur Engineering College (Sep 2018).
- Qualified IEEE Student Branch Member – BBSBEC (2017-2020).
- Main Leader in Institution of Engineers (India) Student Branch Chapter.
- Recognised as Best Organiser in multiple workshops and seminars.

Extracurricular Activities

- Attended workshops and seminars by **IEEE and the Institution of Engineers (India).**
- Participated in competitions organised by the **BBSBEC ACM Student Chapter**.
- Served as Technical Expert in the college's **Photography Club.**
